

## From the Hon. Secretary – Telegraphist Air Gunners Association

**63<sup>rd</sup> Anniversary Weekend.** It was intended that 2009 would be the last year we would have a full parade at the memorial as the membership falls and travelling becomes more of a problem to those of us who remain. However the parade in May, which was part of the FN100 events, attracted many FAA people who would like it to continue and there is a possibility of another Association gradually taking over the organisation and administration from TAGA. It has been decided to continue for another year, hopefully with help from elsewhere; assuming HMS Sultan, Gosport Police and Gosport Borough are prepared to continue with the help they have so willingly provided in the past. Please complete the application form sooner than later so that we have an indication of the support we will receive from our membership. 1130 at the Lee Memorial followed by lunch at the Warrant Officers and Senior Rates Mess at HMS Collingwood: with any luck we will have a Swordfish fly-past as well.
