Dear Robin and all at the FAABA

**RE: Your recent donation**

I am writing to thank you for your most recent generous donation of £1000. Donations such as this are always special and are even more so when they are from an organisation such as yourself who has been such a keen supporter of our blind veterans over the years.

We are touched that this particular donation has been made to help with the opening of our Rustington Centre as part of our Founders fundraising. Things are going well there with the team busily preparing for the arrival of our veterans next month, while those still at the Brighton Centre are making our veterans ready for the big move which will hopefully take place week beginning 11<sup>th</sup> September!

Once our veterans have had time to settle in (as we all know – getting used to a new home can be a little challenging, especially with so many to settle in) we will be in touch in order to arrange a visit so you can see how your support continues to enable our veterans to lead the fulfilling and independent lives they deserve.

As always, don't hesitate to drop me a line if you have any questions.

Yours sincerely

*Viccie*
